On Saturday, February 15th, the Kansas City Artists Coalition is hosting the 31st Annual Benefit Art Auction.

Collectors, art enthusiasts, and friends of the Artists Coalition know it's the best place to buy art from up-and-coming and established Kansas City artists. The quality and quantity of the art makes it one of the not-to-be-missed art events of the year.

Hundreds of pieces of art donated by the region's best artists are on display and attendees have the chance to buy in both silent and live auctions under the direction of professional auctioneers, whose banter with the audience is often as entertaining as the art itself.
